

**ANDY WIGHTMAN MSP****TRANSPARENCY July-December 2018**

As part of a commitment to transparency I will be publishing a list of all individuals and organisations that have met with me to discuss matters of interest to them. This list comprises those meetings where the organisation has asked for **my** time to talk about issues that matter to **them**.

The list does not include meetings with constituents on constituency matters, Parliamentary business meetings (for example, Committee visits), meetings with Parliamentary staff, MSP staff, MSPs and Councillors, Cross Party Group meetings, seminars and conferences I attend as a paying delegate or speaker, meetings with the media and attendance at rallies and demonstrations.

I am also publishing any absences from Parliamentary Business together with an explanation.
