Page 7: Your views on the proposal

Q1. Which of the following best expresses your view of the proposal to replace the current 30mph default speed limit on restricted roads with a 20mph limit.

Fully opposed

Q1. Which of the following best expresses your view of the proposal to replace the current 30mph default speed limit on restricted roads with a 20mph limit.

Please explain the reasons for your response

There is no need to change speed limit at all. It will not make any difference and only cause more traffic congestion. Totally Unnecessary.

Q2. Could the aims of this proposal be better delivered in another way (without a Bill in the Scottish Parliament)?

No

Please explain the reasons for your response

it should not be delivered

Q3. What do you think would be the main advantages, if any, of the proposal?

None advantages

Q4. What do you think would be the main disadvantages, if any, of the proposal?

Traffic congestion, wasting people time

Q5. What other measures do you think would be needed to maximise compliance with the new national 20mph speed limit on restricted roads, for example in relation to advertising signage and police enforcement.
