## Page 7: Your views on the proposal

Q1. Which of the following best expresses your view of the proposal to replace the current 30mph default speed limit on restricted roads with a 20mph limit.

Fully Supportive

Q2. Could the aims of this proposal be better delivered in another way (without a Bill in the Scottish Parliament)?

No

Q3. What do you think would be the main advantages, if any, of the proposal?

Safer routes to school for children and parent/carers who currently walk.  
 Increased number of children and parent/carers choosing to walk.  
 Fewer minor traffic incidents and accidents.  
 Greater awareness of safety around schools, areas where children play, and residential areas

Q4. What do you think would be the main disadvantages, if any, of the proposal?

*No Response*

Q5. What other measures do you think would be needed to maximise compliance with the new national 20mph speed limit on restricted roads, for example in relation to advertising signage and police enforcement.

National campaign to highlight benefits  
 School travel plans reflecting changes  
 Monitoring and impact evaluation of reduction over a short/medium and long period
