Page 7: Your views on the proposal

Q1. Which of the following best expresses your view of the proposal to replace the current 30mph default speed limit on restricted roads with a 20mph limit.

Fully Supportive

Q1. Which of the following best expresses your view of the proposal to replace the current 30mph default speed limit on restricted roads with a 20mph limit.

Please explain the reasons for your response

Because it's safer simpler

Q2. Could the aims of this proposal be better delivered in another way (without a Bill in the Scottish Parliament)?

No

Please explain the reasons for your response

There is no other way

Q3. What do you think would be the main advantages, if any, of the proposal?

It will cut down on the damage done to people when they do knock people over which means we need to spend less on putting them back together

Q4. What do you think would be the main disadvantages, if any, of the proposal?

Car drivers will moan

Q5. What other measures do you think would be needed to maximise compliance with the new national 20mph speed limit on restricted roads, for example in relation to advertising signage and police enforcement.

Police enforcement is the only way or perhaps neighbourhood enforcing like on archers

Please explain the reasons for your response

They are guesses

Q7. Do you believe there will be any other benefits to reducing the speed limit from 30mph to 20mph?

I don't know use less fuel?..?

Page 14: Equalities

Q8. What overall impact is the proposed Bill likely to have on the following protected groups (under the Equality Act 2010): race, disability, sex, gender re-assignment, age, religion and belief, sexual orientation, marriage and civil partnership, pregnancy and maternity?

Positive

Please explain the reasons for your response

Anything that helps save life is good

Q9. Could any negative impact of the proposed Bill on any of these protected groups be minimised or avoided?

I'm not sure but careful monitoring of everything would be interesting

Page 16: Sustainability of the proposal

Q10. Do you consider that the proposed Bill can be delivered sustainably i.e. without having likely future disproportionate economic, social and/or environmental impact?

Yes

Page 17: General

Q11. Do you have any other comments or suggestions on the proposal to establish a 20mph default speed limit on restricted roads?

It should be done as quickly as possible
