Proposed Restricted Roads (20mph Limit) (Scotland) Bill

Page 2: About you

Are you responding as an individual or on behalf of an organisation?
an individual
Which of the following best describes you? (If you are a professional or academic, but not in a subject relevant to the consultation, please choose "Member of the public".)
Professional with experience in a relevant subject
Please select the category which best describes your organisation
No Response
Please choose one of the following; if you choose the first option, please provide your name or the name of your organisation as you wish it to be published.
I am content for this response to be attributed to me or my organisation
Please insert your name or the name of your organisation. If you choose the first option above, this should be the name as you wish it to be published. If you choose the second or third option, a name is still required, but it will not be published.
Andrew Holborn
Please provide details of a way in which we can contact you if there are queries regarding your response. Email is preferred but you can also provide a postal address or phone number. We will not publish these details.

Page 7: Your views on the proposal

Q1.۱	Which	of the	following	ng best	expres	ses y	our/	view	of the	proposal	to	replace	the o	current	30mph	default
spee	ed limit	on res	stricted	roads	with a 2	0mp	h lim	it.								

Fully opposed

Q2. Could the aims of this proposal be better delivered in another way (without a Bill in the Scottish Parliament)?

Yes (if so, please explain below)

Please explain the reasons for your response

A rethink on the design and layout of Restricted Roads would achieve much safer roads in urban areas.

Q3. What do you think would be the main advantages, if any, of the proposal?

No Response

Q4. What do you think would be the main disadvantages, if any, of the proposal?

No Response

Q5. What other measures do you think would be needed to maximise compliance with the new national 20mph speed limit on restricted roads, for example in relation to advertising signage and police enforcement.

No Response

Page 12: Financial implications

Q6. Taking account of both costs and potential savings, what financial impact would you expect the proposed Bill to have?

	Significant increase in cost	Some increase in cost	Broadly cost- neutral	Some reduction in cost	Significant reduction in cost	Unsure
