Q1. Which of the following best expresses your view of the proposal to replace the current 30mph default speed limit on restricted roads with a 20mph limit.

Please explain the reasons for your response

Reducing casualties, encouraging active travel.

Q2. Could the aims of this proposal be better delivered in another way (without a Bill in the Scottish Parliament)?

No

Q3. What do you think would be the main advantages, if any, of the proposal?

Reduced casualties, less pollution, more active travel

Q4. What do you think would be the main disadvantages, if any, of the proposal?

None.

Q5. What other measures do you think would be needed to maximise compliance with the new national 20mph speed limit on restricted roads, for example in relation to advertising signage and police enforcement.

Advertising campaign to make drivers aware of new limit. Increased enforcement initially.
