Page 7: Your views on the proposal

Q1. Which of the following best expresses your view of the proposal to replace the current 30mph default speed limit on restricted roads with a 20mph limit.

Partially opposed

Q1. Which of the following best expresses your view of the proposal to replace the current 30mph default speed limit on restricted roads with a 20mph limit.

Please explain the reasons for your response

some roads are wide and safe enough for 30mph and also depending for time of day/night you are using them.

Q2. Could the aims of this proposal be better delivered in another way (without a Bill in the Scottish Parliament)?

Yes (if so, please explain below)

Please explain the reasons for your response

local council already can lower the limit of dangerous roads no need to waist the time of Parliament

Q3. What do you think would be the main advantages, if any, of the proposal?

cant really see and advantage a part from people to get annoyed and more traffic caused

Q4. What do you think would be the main disadvantages, if any, of the proposal?

already stated more traffic and polution as cars will take longer to go through the same miles

Q5. What other measures do you think would be needed to maximise compliance with the new national 20mph speed limit on restricted roads, for example in relation to advertising signage and police enforcement.

tables that show the speed you are going to

Page 12: Financial implications

Q6. Taking account of both costs and potential savings, what financial impact would you expect the proposed Bill to have?

	Significant increase in cost	Some increase in cost	Broadly cost-neutral	Some reduction in cost	Significant reduction in cost	Unsure

Q6. Taking account of both costs and potential savings, what financial impact would you expect the proposed Bill to have?

Police Scotland						
----------------------------	--	--	--	--	--	--

Please explain the reasons for your response

time lost in discussing the issue, new signs new contractors and people taking longer to go to work etc and getting frustrated when there is no one there walking on the pavement

Q7. Do you believe there will be any other benefits to reducing the speed limit from 30mph to 20mph?

limit could be reduced relatively to the time of day as for kids going to school or coming back around school areas and particularly young estates
as to say 20mps between 8.45 - 9.15 and 3pm-5pm

Page 14: Equalities

Q8. What overall impact is the proposed Bill likely to have on the following protected groups (under the Equality Act 2010): race, disability, sex, gender re-assignment, age, religion and belief, sexual orientation, marriage and civil partnership, pregnancy and maternity?

Neutral (neither positive nor negative)

Q9. Could any negative impact of the proposed Bill on any of these protected groups be minimised or avoided?

No Response

Page 16: Sustainability of the proposal

Q10. Do you consider that the proposed Bill can be delivered sustainably i.e. without having likely future disproportionate economic, social and/or environmental impact?

Unsure

Page 17: General

Q11. Do you have any other comments or suggestions on the proposal to establish a 20mph default speed limit on restricted roads?

already gave my comments
