## Page 7: Your views on the proposal

Q1. Which of the following best expresses your view of the proposal to replace the current 30mph default speed limit on restricted roads with a 20mph limit.

Fully Supportive

**Please explain the reasons for your response**

We have concerns about traffic travelling at speed and have been campaigning for some time to see reductions.

Q2. Could the aims of this proposal be better delivered in another way (without a Bill in the Scottish Parliament)?

No

**Please explain the reasons for your response**

This should be legislation across Scotland.

Q3. What do you think would be the main advantages, if any, of the proposal?

Safer streets  
More cyclists  
Better health  
Children would walk to school  
Better for environment

Q4. What do you think would be the main disadvantages, if any, of the proposal?

As previous

Q5. What other measures do you think would be needed to maximise compliance with the new national 20mph speed limit on restricted roads, for example in relation to advertising signage and police enforcement.

Educate public

Q7. Do you believe there will be any other benefits to reducing the speed limit from 30mph to 20mph?

Safety

## Page 14: Equalities

Q8. What overall impact is the proposed Bill likely to have on the following protected groups (under the Equality Act 2010): race, disability, sex, gender re-assignment, age, religion and belief, sexual orientation, marriage and civil partnership, pregnancy and maternity?

Slightly positive

Q9. Could any negative impact of the proposed Bill on any of these protected groups be minimised or avoided?

*No Response*

## Page 16: Sustainability of the proposal

Q10. Do you consider that the proposed Bill can be delivered sustainably i.e. without having likely future disproportionate economic, social and/or environmental impact?

Yes

**Please explain the reasons for your response:**

If this is done using social media and mainstream media does not and should not be costly.
