Q1. Which of the following best expresses your view of the proposal to replace the current 30mph default speed limit on restricted roads with a 20mph limit.

Fully Supportive

Q1. Which of the following best expresses your view of the proposal to replace the current 30mph default speed limit on restricted roads with a 20mph limit.

Please explain the reasons for your response

It is a 'no brainer' as the kids would say. Apart from all the safety issues and life saving this initiative will save money in the long run for the various councils.

Q2. Could the aims of this proposal be better delivered in another way (without a Bill in the Scottish Parliament)?

Unsure

Please explain the reasons for your response

no idea

Q3. What do you think would be the main advantages, if any, of the proposal?

Greater safety -saving lives -slowing traffic down -saving individual councils money

Q4. What do you think would be the main disadvantages, if any, of the proposal?

Really can't think of any -cost of new signage?

Q5. What other measures do you think would be needed to maximise compliance with the new national 20mph speed limit on restricted roads, for example in relation to advertising signage and police enforcement.

Goodness knows -it seems to rarely enforced now - it needs to be seen to anti social to speed like Drink driving now is
