Page 7: Your views on the proposal

Q1. Which of the following best expresses your view of the proposal to replace the current 30mph default speed limit on restricted roads with a 20mph limit.

Fully Supportive

Q1. Which of the following best expresses your view of the proposal to replace the current 30mph default speed limit on restricted roads with a 20mph limit.

Please explain the reasons for your response

My daughter attends the local primary school nearby and I see drivers doing more than 30 mph slot of the time also the lollipop lady was working on the school crossing and a car shot by her before the children began to cross, a few seconds later and kids might have been killed. This is about the safety of our children and you CANNOT put a price on that.

Q2. Could the aims of this proposal be better delivered in another way (without a Bill in the Scottish Parliament)?

Unsure

Q3. What do you think would be the main advantages, if any, of the proposal?

SAFETY

Q4. What do you think would be the main disadvantages, if any, of the proposal?

No Response

Q5. What other measures do you think would be needed to maximise compliance with the new national 20mph speed limit on restricted roads, for example in relation to advertising signage and police enforcement.

All would suffice
