## Page 7: Your views on the proposal

Q1.۱	Which	of the	followir	ig best	expres	ses y	our/	view	of the	proposal	to	replace	the o	current	30mph	default
spee	d limit	on res	stricted	roads	with a 2	0mp	h lim	it.								

Fully opposed

Q1. Which of the following best expresses your view of the proposal to replace the current 30mph default speed limit on restricted roads with a 20mph limit.

#### Please explain the reasons for your response

We don't think there is a need for 20mph through all urban areas and think that the flashing lights, which control speed at given times in key locations, are enough. I think that if a blanket 20mph were imposed across all urban areas, all of the time, people would be more likely to exceed it. When the lights only flash at sensitive times, people take more care as they appreciate there is something different to think about at that time.

Q2. Could the aims of this proposal be better delivered in another way (without a Bill in the Scottish Parliament)?

Yes (if so, please explain below)

#### Please explain the reasons for your response

The flashing lights, which control speed at given times in key locations, are enough.

Q3. What do you think would be the main advantages, if any, of the proposal?

No Response

Q4. What do you think would be the main disadvantages, if any, of the proposal?

I think that if a blanket 20mph were imposed across all urban areas, all of the time, people would be more likely to exceed it.

Q5. What other measures do you think would be needed to maximise compliance with the new national 20mph speed limit on restricted roads, for example in relation to advertising signage and police enforcement.

No Response

## Page 12: Financial implications

Q6. Taking account of both costs and potential savings, what financial impact would you expect the proposed Bill to have?

	Significant increase in cost	Some increase in cost	Broadly cost- neutral	Some reduction in cost	Significant reduction in cost	Unsure
Scottish Government		X				

Q6. Taking account of both costs and potential savings, what financial impact would you expect the proposed Bill to have?

Local Authorities	Х		
Motorists			X
Other			X
Police Scotland			

Q7. Do you believe there will be any other benefits to reducing the speed limit from 30mph to 20mph?
NO

## Page 14: Equalities

Q8. What overall impact is the proposed Bill likely to have on the following protected groups (under the Equality Act 2010): race, disability, sex, gender re-assignment, age, religion and belief, sexual orientation, marriage and civil partnership, pregnancy and maternity?

Neutral (neither positive nor negative)

Q9. Could any negative impact of the proposed Bill on any of these protected groups be minimised or avoided?

Unsure

## Page 16: Sustainability of the proposal

Q10. Do you consider that the proposed Bill can be delivered sustainably i.e. without having likely future disproportionate economic, social and/or environmental impact?

Unsure

Please explain the reasons for your response:

Don't understand this question

### Page 17: General

Q11. Do you have any other comments or suggestions on the proposal to establish a 20mph default speed limit on restricted roads?

When the lights only flash at sensitive times, people take more care as they appreciate there is something different to think about at that time.
