## Page 7: Your views on the proposal

Q1. Which of the following best expresses your view of the proposal to replace the current 30mph default speed limit on restricted roads with a 20mph limit.

Fully Supportive

Q1. Which of the following best expresses your view of the proposal to replace the current 30mph default speed limit on restricted roads with a 20mph limit.

**Please explain the reasons for your response**

All pupils should they choose to do so, be able to walk to and from school safely and without risk of death or injury.

Q2. Could the aims of this proposal be better delivered in another way (without a Bill in the Scottish Parliament)?

No

**Please explain the reasons for your response**

Legislation is required to change the behaviour of road users. The Fife campaign has proved to be effective.

Q3. What do you think would be the main advantages, if any, of the proposal?

1. Enshrine the matter in legislation.
2. Provide safer environment for all pupils to walk to school.
3. Health benefits and environmental benefits to the local community.
4. Reduce emissions and pollution.

Q4. What do you think would be the main disadvantages, if any, of the proposal?

None

Q5. What other measures do you think would be needed to maximise compliance with the new national 20mph speed limit on restricted roads, for example in relation to advertising signage and police enforcement.

1. Advertising campaign - TV, radio, billboards, social media endorsed by SG and police Scotland to ensure public buy-in

## Page 12: Financial implications

Q6. Taking account of both costs and potential savings, what financial impact would you expect the proposed Bill to have?

	Significant increase in cost	Some increase in cost	Broadly cost-neutral	Some reduction in cost	Significant reduction in cost	Unsure
Scottish Government					X	

Q6. Taking account of both costs and potential savings, what financial impact would you expect the proposed Bill to have?

<b>Local Authorities</b>				X	
<b>Motorists</b>			X		
<b>Other</b>		X			
<b>Police Scotland</b>					

**Please explain the reasons for your response**

SG and LA.s - reduced emissions, reductions in RTAs, road surfaces damaged less motorists - cars travelling slower -reduction in fuel cost and wear and tear others - difficult to quantify but no increased costs

Q7. Do you believe there will be any other benefits to reducing the speed limit from 30mph to 20mph?

Safety of vulnerable road users significantly increased, increase in health and equality in communities, reduction in severity of RTAs

## Page 14: Equalities

Q8. What overall impact is the proposed Bill likely to have on the following protected groups (under the Equality Act 2010): race, disability, sex, gender re-assignment, age, religion and belief, sexual orientation, marriage and civil partnership, pregnancy and maternity?

Positive

**Please explain the reasons for your response**

affects all members of society positively

Q9. Could any negative impact of the proposed Bill on any of these protected groups be minimised or avoided?

N/a

## Page 16: Sustainability of the proposal

Q10. Do you consider that the proposed Bill can be delivered sustainably i.e. without having likely future disproportionate economic, social and/or environmental impact?

Yes

Q10. Do you consider that the proposed Bill can be delivered sustainably i.e. without having likely future disproportionate economic, social and/or environmental impact?

**Please explain the reasons for your response:**

It has been delivered elsewhere - Fife - successfully. Previous answers show the significant cost benefits to SG, LAs and motorists.

## Page 17: General

Q11. Do you have any other comments or suggestions on the proposal to establish a 20mph default speed limit on restricted roads?

In the event that it is not rolled out to all existing areas - priority should be given to ensure that ALL roads around schools are 20mph.
