Page 7: Your views on the proposal

Q1. Which of the following best expresses your view of the proposal to replace the current 30mph default speed limit on restricted roads with a 20mph limit.

Fully opposed

Q1. Which of the following best expresses your view of the proposal to replace the current 30mph default speed limit on restricted roads with a 20mph limit.

Please explain the reasons for your response

I always drive at a speed consistent with my surroundings - within the law - and need no further nannying

Q2. Could the aims of this proposal be better delivered in another way (without a Bill in the Scottish Parliament)?

Yes (if so, please explain below)

Please explain the reasons for your response

Education

Q3. What do you think would be the main advantages, if any, of the proposal?

None - just more damnable road signs

Q4. What do you think would be the main disadvantages, if any, of the proposal?

Ever more road signs and more police time needed

Q5. What other measures do you think would be needed to maximise compliance with the new national 20mph speed limit on restricted roads, for example in relation to advertising signage and police enforcement.

None

Police Scotland						

Q6. Taking account of both costs and potential savings, what financial impact would you expect the proposed Bill to have?

Please explain the reasons for your response

More road signs on already cluttered roads. Higher fuel costs for motorists

Q7. Do you believe there will be any other benefits to reducing the speed limit from 30mph to 20mph?

No

Page 14: Equalities

Q8. What overall impact is the proposed Bill likely to have on the following protected groups (under the Equality Act 2010): race, disability, sex, gender re-assignment, age, religion and belief, sexual orientation, marriage and civil partnership, pregnancy and maternity?

Unsure

Please explain the reasons for your response

It does not cover hermaphrodites

Q9. Could any negative impact of the proposed Bill on any of these protected groups be minimised or avoided?

Yes - by refusing the proposal

Page 16: Sustainability of the proposal

Q10. Do you consider that the proposed Bill can be delivered sustainably i.e. without having likely future disproportionate economic, social and/or environmental impact?

No

Page 17: General

Q11. Do you have any other comments or suggestions on the proposal to establish a 20mph default speed limit on restricted roads?

This is an utter waste of time and money and totally unnecessary. The proposer has produced ZERO factual evidence of any benefits from such a proposal.
