

**SCOTTISH GREEN PARTY  
SPRING CONFERENCE 2020**  
28TH MARCH 2020,  
ADAM SMITH THEATRE, KIRKCALDY

# **EXHIBITION & FRINGE OPPORTUNITIES**

This year the Scottish Greens Spring Conference travels to Kirkcaldy. With a growing population, a skilled workforce and huge potential for development as a Green Industrial town, what better location to progress plans for a Green New Deal for Scotland.

Conference provides an ideal setting for organisations to engage with members, councillors and MSPs whilst we develop policy to facilitate this transition - to a low carbon economy within a more just, sustainable & prosperous Scotland.

We have a range of opportunities available and look forward to welcoming you to Conference on the 28th March 2020.

## **RUNNING A FRINGE SESSION AT CONFERENCE**

The conference 'fringe' exists alongside the main plenaries & covers a range of events including presentations & discussions from outside organisations & campaigns, as well as membership led sessions.

A great opportunity to get your message out to our members, we can help with SGP speakers, as well as opening your fringe up to the general public if required.

We have both lunchtime fringe (1 hr 15 mins) and 60-minute afternoon slots available, with spaces that can accommodate 50 - 100 people. The main auditorium is also available for Premier Fringes, should you wish to attract a larger audience. The format of your fringe is flexible - whether it be a panel discussion, presentation or workshop.

Rates for Fringe events can be found on the "Exhibitor & Fringes" area of our Conference website -
